Please initial:

_____ I have accepted the extra dance(s) that were emailed to me by the Director. I understand the extra fees associated with accepting this dance(s).

_____ I understand that if I drop out of this extra dance(s) after the contract is signed, I will have a penalty fee of \$250 that must be paid in August 2023.

_____ I understand that once the choreography is learned, I will need to start paying private fees for additional privates to clean the dance. I will pay these fees directly to the choreographer/teacher. I understand that the instructor will set up additional privates, but I may also request them at any time.

_____ I understand that accepting an extra dance requires extra practice time. My child understands that they must practice additional hours, other than the time with the choreographer.

_____ I understand that if my child is in a duet/trio/or small group, I must adjust my schedule and make my child available to do extra practices with the group when needed. The parents will work together and schedule extra studio time hours that work with everyone's schedule.

_____ I understand that the costume fee associated with my Extra Dance may exceed the base costume price.
